Terms and Conditions

This document allows you to join a cycling club and State body affiliated to the Australian Veteran Cycling Council Inc. (AVCC). Insurance cover for training and racing will become available when you have successfully submitted the details and paid your fees. For further information on the AVCC, its Racing Rules and Regulations, Constitution, and insurance benefits, see our web page at: <http://www.austvetcycling.com/> The payments listed cover club fees, State fees (where applicable), payment for and AVCC licence (attached to your DMG receipt), and an insurance component.

When registering for the first time, ignore the login tab - click on the 'New Registrations' tab only.

I agree to abide by the rules and regulations of the Australian Veteran Cycling Council (AVCC), State body and affiliated clubs as they may be formulated from time to time. I further agree to observe and comply with all oral and written instructions issued by the appointed officials of my club, State body and/or the AVCC. In consideration of my participation in the activities of the club I freely release it, the State body and the AVCC, and officials of the aforementioned bodies from any and all liability for any injury, loss and damage arising out of the activities. I accept the dangers that may be involved in competitive cycling and undertake to participate entirely at my own risk. I understand that my registration fee includes a level of accident insurance cover and that details can be viewed on the AVCC webpage. I acknowledge that the insurance benefits provided are limited and that I should consider carrying personal insurance as well as ambulance and private health cover. I further declare that I have no health problems that make me incapable of competing safely in AVCC events and that I will inform the AVCC or affiliates should health concerns arise. I acknowledge that in seeking membership I will have reached, or will reach, the age of 35 years (as a male) and 30 years (as a female) in the calendar year from 1st January to 31st December in which this registration is made.

Performance-Enhancing Substances.

It is the policy of the AVCC to forbid the taking of Performance-enhancing substances. To be eligible for membership you must agree to the following protocol:

I declare that I do not and will not take performance-enhancing substances that are listed as such by ASADA on their web pages. I understand that if I do I will be subject to penalties that will include the removal of membership of the AVCC for a period to be determined by the AVCC.

It is advisable for members taking a prescription drug/s which may appear on the banned/restricted list, e.g., Beta blockers, for genuine medical purposes to make the medical condition known to the testing authorities in advance of any test being performed.

I understand that membership is subject to acceptance of my application by the club committee.

Contact Details

I agree to allow officers of the Club or AVCC to contact me on cycling business by e-mail or telephone.

I agree to the above statement regarding the privacy statement.

Insurance Cover

Cover for insurance is dated from 1st October, or time of receipt of your form if after this date, and lasts until 31st December of the following year. For renewals after 1st January please note the insurance company does not allow days-of-grace. All racing members are covered by insurance for racing and training (including private training), and all officials and affiliates are covered for public liability.

N.B. A rider who reaches the age of 80 years during the calendar year that is applied for must obtain a medical clearance and a letter from a club official attesting to his/her ability to compete, and clearance must be received by the AVCC Secretary from the insurer before the rider is allowed insurance cover and permitted to compete.

I agree to the above terms and conditions.
