

## Roadman of the Year Road Points Competition 2019

The Roadman of the Year Competition is open to all licensed racing members (trial riders do not score points). Money presentations are made to the first ten riders in the points classification and the winner will also be presented with the Club Points trophy and replica.

Points will be awarded for each race listed below with the exception of the Presentation event at the end of the season. The **best 20 performances** will be counted for the competition awards. Licensed racing members receive 5 starter points. Place points are also awarded to at least the top 20% of the class or grade. Points in the Road Championships will be awarded according to 5 year age groupings.
