Entrants are also reminded of the following:

- Details of all events are published on the WCMCC website and via social media
- Events are restricted to AVCC licence holders or trial riders
- **Nominations close 15 minutes before each race**
- Lapped riders are not allowed to sit on those that have lapped them, and at the referees' discretion, may be withdrawn from the race
- Complaints and appeals must be within 30 minutes of the race finish and given to the race referee. They must be confirmed in writing within 24 hours otherwise no further action will be taken
- **One or two hand victory salutes are forbidden** and hands must be properly on the bars at all times (e.g. no forearms). Anyone transgressing this rule will be penalised
- Race durations may be altered at the discretion of the referee. The race referee may also cancel or stop any race for any reason, as they see fit, including adverse weather conditions
- In conditions where the ambient temperature exceeds 35°C during an event:
 - The race referee may withdraw a rider from the event if they believe the rider is in significant distress and/or a danger to the safety of themselves and other competitors
 - As individuals have different tolerances to heat levels, it is the rider's responsibility to ensure that they are fit to handle race conditions on the day
 - For further information and guidance, see Sports Medicine Australia (<https://sma.org.au/resources-advice/policies-and-guidelines/hot-weather/>)
- Men and women compete separately in the Age Championships. If there are insufficient entries in the women's events to form separate age-categories, then riders will be allocated to ride in a division 15 years above their actual age division
